Math with Ms. Johnson

Math 7:

Students will conclude chapter 5, Proportional Relationships and begin chapter 6 percents. Concepts will include converting percent to decimal and write equations and solve percent and decimal problems. The chapter 5 test is Monday, February 8.

Pre-Algebra:

Students will continue chapter 7, Equations and Inequalities. Concepts will include writing and graphing inequalities and solving inequalities. A quiz covering content in lessons one and two will be given Monday, February 8. Chapter 7 test is tentatively scheduled for Wednesday, February 17. Students are reminded to bring their calculators to each class meeting.

Honors Algebra I:

Students will conclude chapter 7, Solving Systems of Linear Equations and Inequalities. Concepts presented solving equations using substitution and elimination. Chapter 7 test is tentatively scheduled for Friday, February 12.

Important Events

Feb. 9- Interim Reports

Feb. 15 - No School / Teacher Inservice

Mar. 11 - No School

***Please note that assignments and dates are subject to change. All changes should be noted in student planners.**

7th Grade Science By Ms. Johnson

Students will complete chapter 13, Plant Structure and Functions and begin chapter 15, Invertebrates.

8th Grade Science by Coach Ar p

Please see Coach Ar p for questions or more information.

8th Grade DC Updates!

An update letter is coming home with two important forms attached. The final payment notification and a medical release form. The final payments are due back to Coach Brown no later than February 26, 2016. The medical release form will be due back to Coach Brown no later than March 18. The detailed letter gives a trip update and explains these forms. There will be a parent meeting and mandatory chaperone meeting on March 22 at 7:00pm in the fellowship hall. If you have any questions, please email Coach Brown. jbrown@fbns.org

Language Arts by Mrs. Edwards

Writing Lab

7th & 8th Grade:

This week: We will work on Voc. Unit 8.

We are reading the second AR book checked out from the library for the second nine weeks.

Seventh grade is reading the novel *The Hobbit*. They will need to complete daily assignments and study material covered.

Eighth grade is reading the novel *Journey to the Center of the Earth*. They will need to complete daily assignments and study material covered.

Students have Root cards that we are working on. Students will have a quiz on each set of five Root cards. Students should study each card every day. These roots will be an invaluable tool in their vocabulary study throughout high school and college. (Ask them about quizlet.com)

English I Honors:

Vocabulary -Lesson 11

Roots 76-80; then Quiz

We are reviewing nouns in the Writing and Grammar book. Students should review material covered and be ready for quizzes/tests.

As you can see there are many areas of study in ELA. I will do my best to convey each and every assignment as clearly as possible. Please encourage your child to ask questions if they have any concerns.

**Writing assignments down in student planner is imperative! Please check your child's planner. © Mrs. E

We are discussing and using the Writing Process and the Six Traits of Writing and how we will be using these throughout the semester.

Students have been given the Research Rubric and assignments. Parents were to review these materials and sign the first sheet to return to school. Students should be visiting the library to find their three sources needed in class. Students should complete any assignment not completed in class. All work completed will have due dates.

8th Grade History with Mr. Stevens

Information on assignments and other class information can be found at

7th Grade by Mrs. Turner:

Health Unit

Please see Mrs. Turner for questions or more information.

Chorus News by Mrs. Foster

If you have any questions, please email me at KFoster@fbns.org

8th Grade by Mr. Rogers:

We are studying Unit 6, Sociology, and answering the question, "What makes a healthy society?" We are discussing the importance of God ordained institutions: family and church, and how these influence our communities. We are researching statistics to interpret the affect shifting views of marriage, the family, and the church are having on our culture and how Christians can make a difference in our social climate. We will test on Unit 6 next week.

The Art Corner by Mrs. Blanton

Art Classes are "in the deep blue sea". We are all working on "The Ocean" and will be for the next two nine weeks. Go ahead and make plans to attend our Fine Arts Night to be "awed" by the talent that SCA is blessed with.....in all of the Arts!!

Middle School Band by Dr. Bolton

Practice is the key!
Please see Dr. Bolton for questions or more information.
