Language Arts by Mrs. Edwards

7th & 8th Grade:

This week: We will work on Voc. Unit 10.

We are reading the second AR book checked out from the library for the second nine weeks.

Seventh grade is reading the novel *The Hobbit*. They will need to complete daily assignments and study material covered.

Eighth grade is reading the novel *Journey to the Center of the Earth*. They will need to complete daily assignments and study material covered.

Students have Root cards that we are working on.

Students will have a quiz on each set of five Root cards.

Students should study each card every day. These roots will be an invaluable tool in their vocabulary study throughout high school and college. (Ask them about quizlet.com)

English I Honors:

Vocabulary -Lesson 12

Roots 81-85; then quiz.

We are reviewing nouns in the Writing and Grammar book. Students should review material covered and be ready for quizzes/tests.

As you can see there are many areas of study in ELA. I will do my best to convey each and every assignment as clearly as possible. Please encourage your child to ask questions if they have any concerns.

**Writing assignments down in student planner is imperative! Please check your child's planner. © Mrs. E

Writing Lab

We are discussing and using the Writing Process and the Six Traits of Writing and how we will be using these throughout the semester.

Students have been given the Research Rubric and assignments. Parents were to review these materials and sign the first sheet to return to school. Student should be completing note cards as assigned and working on the rough draft Works Cited page for these sources. Students should complete any assignment not completed in class. All work completed will have due dates.

If you have any questions, please email me at KFoster@fbns.org

8th Grade by Mr. Rogers:

We are studying Unit 6, Sociology, and answering the question, "What makes a healthy society?" We are discussing the importance of God ordained institutions: family and church, and how these influence our communities. We are researching statistics to interpret the affect shifting views of marriage, the family, and the church are having on our culture and how Christians can make a difference in our social climate. We will test on Unit 6 next week.

The Art Corner by Mrs. Blanton

Parents, we are passionately beginning to prepare for the Fine Arts Night program and I do trust that each of you will plan to come. My art students are diligently working and creating some of the most beautiful art. It would be a shame to miss the hard work and amazing outcome of each of their creations. I am so blessed for having the opportunity to teach your children!
