### 7<sup>th</sup> & 8<sup>th</sup> Grade:

This week: We will work on Voc. Unit 10.

We are reading the second AR book checked out from the library for the second nine weeks.

Seventh grade is reading the novel *The Hobbit*. They will need to complete daily assignments and study material covered.

Eighth grade is reading the novel *Journey to the Center of the Earth*. They will need to complete daily assignments and study material covered.

Students have Root cards that we are working on.

Students will have a quiz on each set of five Root cards.

Students should study each card every day. These roots will be an invaluable tool in their vocabulary study throughout high school and college. (Ask them about [quizlet.com](http://quizlet.com))

### English I Honors:

Vocabulary -Lesson 12

Roots 76-80; then Quiz

We are reviewing nouns in the Writing and Grammar book. Students should review material covered and be ready for quizzes/tests.

We are discussing and using the Writing Process and the Six Traits of Writing and how we will be using these throughout the semester.

Students have been given the Research Rubric and assignments. Parents were to review these materials and sign the first sheet to return to school. Students should be visiting the library to find their three sources needed in class. Students should complete any assignment not completed in class. All work completed will have due dates.
