

UNIFORM POLICY

PHILOSOPHY

SCA appreciates the conscious effort of parents in keeping the dress code from becoming a major issue. SCA acknowledges that the dress code is institutional preference. However, it is not optional. Students are expected to abide by the code, and parents are expected to monitor compliance before their children leave home. It is inappropriate that other students, teachers, or principals be detracted from the educational process because someone failed to fulfill his or her commitment to follow the dress code. Commitment to the dress code is implied when parents register their children at SCA and by signing the *Family Covenant* that is required for registration.

Special Note to our Parents - Parents are asked to also dress in a manner respectful of the guidelines set forth for students. When attending school functions such as field trips, sporting events, volunteering, coming inside to pick up students, visiting the classroom, etc., dress should be modest and reflect a positive example for students.

GENERAL GUIDELINES

- There is no prescribed uniform for preschool students (K3 & K4); however, parents should conform to the spirit of this policy. The guidelines are applicable to all dress at SCA, regardless of the uniform being worn.
- Students will grow during the year; therefore items which are too short or too tight must be replaced.
- No alterations that would alter the appearance of a garment or render it immodest are allowed.
- Athletes and cheerleaders should consult their coaches for appropriate attire on spirit and game days. Principals and coaches will communicate prior to the beginning of the sports season to confirm game day apparel at school.
- All logo items may only be purchased from Read's Uniforms. Polo's are not available in school office.
- Clothing may not contain any controversial words, graphics, or logos (i.e. skull and crossbones, etc.)

DRESS AT SCHOOL-SPONSORED EVENTS

Although a uniform is usually not required for athletic or social events conducted after school hours, students are expected to dress in a manner that is proper, modest, and neat. Clothing should not be TOO anything: not too low, too high, too tight, too loose, too transparent, etc. Students must remember that they are representing their Savior, their families, and their school and should wear only what would constitute a positive, wholesome, Christian witness. It is also important for parents and teachers to follow these guidelines.

PURCHASING INFORMATION

All SCA uniform items with a logo must be purchased from Read's Uniforms, with the exception of the SCA t-shirts which are purchased from SCA. Other items such as pants, shorts, skirts, etc. may be purchased from the vendor of choice.

SCA t-shirts and PE uniforms may be purchased by completing and turning in an order form found under the Warrior Shop tab on SCA's website. Orders will be filled and sent home with the student. Samples are available at the front desk for sizing if needed. At the end of summer, parents may purchase items from the school office (It is recommended that parents call and make an appointment).

Read's Uniforms is a quality source and standard for some of SCA's uniform items. Purchases may be made by internet at shop.readsuniforms.net/Education with School Code: SCASC

Read's Uniforms flyers are available at the front office. A complete list of SCA approved items is available on Read's Uniforms website. Read's Uniforms is located at 2016 at Haywood Plaza, 30 Orchard Park, Greenville, SC 29615.

POLICY REVIEW

The SCA uniform policy is reviewed annually. Comments and recommendations for consideration are welcome and should be made in writing and given to the Headmaster's Assistant for inclusion in the committee's agenda.
