

Rising Third Graders:

In third grade, we do a lot of independent reading. It has been proven that reading helps students with mental stimulation, vocabulary expansion, stronger analytical thinking skills, improved focus and concentration along with many other positive benefits. To help your child be prepared for third grade, please spend time reading to and with your child this summer.

Over the summer, all rising third graders are asked to read Jigsaw Jones Mystery - The Case of the Buried Treasure by James Preller. Please print the form and fill this out before school begins in August. We will have a fun activity to complete on the first day of school that deals with the book.
