Five practical lessons for raising your kids in a social media generation

Join us for a **FREE**, one-night workshop to help you navigate the challenges of technology in your family.

Wednesday - 11/13/19 - Church Fellowship Hall - 6:30pm

Children's Activities available with a reservation. Call 864-578-0509

"This program was eye-opening. It not only explained how our children are susceptible to apps and games, but the science behind it all." - Recent Participant
