

Dear SCA Family and Friends,

SCA is fulfilling its mission statement to equip students daily to be well educated, equipped with a biblical worldview and to exhibit a heart for Christ. How do we know this? Here are a few examples:

- 1) We can look at the SCA Class of 2015 to see: Of these 39 graduates, 8 are pursuing careers in the medical field whether it be medical doctors and researchers, nurse, physician's assistant, or veterinarian. There are 3 successful small business owners, and a highly recruited college graduate working at Boeing after completing an internship in Texas. One who graduated in Motion Design from The Savannah College of Art and Design, with its rigorous curriculum, is working in Idaho. There are teachers in the classroom impacting our next generation and those in graduate school for advanced education to pursue their goals.
- 2) In this same class let us also look at where they are using their gifts and talents for the Lord: working with youth/college and career at their church, leading a small community group or using their vocational skills to share Christ in their relationships with coworkers and neighbors, these stories are not random. As I sat down to talk with our graduate who moved to Idaho, he said one of his most important factors as he was pursued for employment was to find a church community similar to the one he had in Savannah.

Spartanburg Christian Academy played a role in these success stories. Your eternal investment in Spartanburg Christian Academy means you can also play an important role in the success of our students now and in the years to come. Join me in giving to this wonderful ministry and be a part of equipping the next generation to impact the world for Christ.
