

Dear Rising 4th Grader,

We are very excited about the next school year! You are going to love Fourth Grade! We study the history of our United States. We do so many fun things during the year. Fourth grade teachers would like for you to select one from either the *I Survived* or *Girls Survive* series.

Make a copy of the attached form and fill out for the book. We will be doing some fun activities the first few days of school.

Have a great summer and happy reading!
