

## **FINANCES**

### **TUITION DISCOUNTS (DISCOUNTS ARE NOT CUMULATIVE)**

*First North Church Member Discount:* A 10% discount is given to financially supporting and regularly attending members of First Baptist North Spartanburg. Any change in status from these stated qualifications for the member rate will necessitate a recalculation of tuition fees at the point of change. It is the responsibility of the parents to inform the school if and when a change occurs.

*Family Discount:* 5% discount given for each additional child, or a family with more than one child enrolled.

*Senior Pastor Discount:* A 25% discount is given to a senior pastor of an established church.

*SCA Alumni Discount:* 15% discount given to graduates of SCA.

*Military Discount:* 10% discount given to any active, reserves, retired, veteran, and honorably discharged service members. (must be a parent, step-parent, or guardian of SCA student)

### **NON-TUITION EXPENSES**

SCA offers opportunities for extra-curricular activities not covered by tuition. Included in this category are competition fees, expenses for athletics, academic teams, selected field trips, banquets, and other elective activities. Costs for these activities will be stated in advance to allow parents and students the opportunity to decide on participation.

Students who lose a textbook or library book during the school year will be given 10 days to find the book. After 10 days, the book will be replaced and the student's account will be charged. Charges for any books returned after 10 days will not be credited.

At the end of the school year, students will be charged for lost or damaged textbooks and library books. These charges will be billed June 1. Charges for any books returned after June 15 will not be credited.

There may be additional costs for class projects assigned throughout the year, but every effort is made to keep these costs at a minimum. It is not possible to predict an exact amount and much of this will depend on individual choices made by students and parents. Examples of projects requiring extra cost would be a leaf collection, insect collection, science fair projects, posters, materials for book reports, etc.

### **STUDENT INSURANCE**

All students are covered under a blanket accident policy with AIG/Sadler Sports during school hours and activities. This policy is a secondary coverage which will back up the parents' primary carrier. Should a situation arise without a primary coverage, school insurance becomes the primary. This policy is funded by the registration fee, and there is no deductible. All accidents must be reported to the school office immediately and claims submitted within six weeks from the date of release from the physician. Call the school nurse or athletic secretary for claims information. The policy covers medical expenses resulting from injuries sustained at school or school sponsored functions only.

### **TUITION ASSISTANCE**

Applications for tuition assistance are available on the SCA website under the Admissions tab beginning February 1. Tuition assistance is not available for students in K3 or K4. Applications for reenrolling students must be submitted by April 30. New student applications must be submitted by August 31. An independent organization will provide a preliminary evaluation of financial qualification which will assist SCA in disbursing monies. Due to the limited reimbursement of the scholarship funds, this program has stringent limitations.
