

Holmes Catering Lunch

2024-25 Information

Students at SCA may bring lunch from home, pre-order a hot lunch, or purchase food from the Warrior Store prepared by Holmes Catering & Events. Each hot lunch consists of an entrée, side item(s), fruit &/or dessert, and milk or juice. Tea is available for middle and high school students. Students are assigned an EZ School Student Account, which allows parents to preload money for students and keep track of their purchases. Accounts are accessed at <https://new.ezschoolapps.com> using the parent's email and password information. Individual student special instructions/restrictions/allergies may be entered by Holmes Catering staff which will "flag" the individual student(s) account to notify the lunch staff of your wishes. (For example: cash only for any Warrior Store purchases; No purchase from Warrior Store if negative account balance; Allergic to nuts; No Warrior Store purchases; No candy or ice cream etc.). Anything may be noted for your student(s) that you wish. You just need to let us know at scalunch@fbns.org.

Money may be added in one of three ways to a student(s) account.

1. Debit or credit card on the EZ School Apps website (there is a convenience fee attached to each debit/credit deposit).
2. Cash in a sealed envelope with "Tim Holmes Catering" and the student(s) name on the outside.
3. Check made payable to Tim Holmes Catering with the student(s) name in the memo line. (You may write one check for multiple students, just list each student and the amount you want entered for each account in the memo line).

Checks and cash in envelopes with student(s) name may be turned into the SCA front desk.

To purchase a hot lunch, a student must pre-order lunch up to two days prior to the meal at <https://new.ezschoolapps.com>. Pre-ordered lunches are \$7.25 for 7th-12th grades, \$6.75 for 1st-6th grades and \$5.50 for 3K-5K. If extra lunches are available, students who did not preorder may purchase a lunch for an additional \$2.50 fee.

If a student has an SCA excuse for illness on a day they pre-ordered lunch, the parent may request a refund directly to Ellen Holmes by emailing scalunch@fbns.org. Any questions, concerns, or special instructions about the EZ School app or lunch may also be addressed to Ellen Holmes at scalunch@fbns.org.

Please note that your student(s) lunch accounts are not part of SCA billing. The lunch accounts are billed separately through Holmes Catering and the EZ School app.
