Lyman Event Center

59 Groce Road, Lyman SC

**You can find all information about prom at

Dress Requirements:

Young men should wear a tuxedo or a suit.

Young ladies' dresses should be modest and appropriate for a Christian school event. Dresses must be "tea length" (between the knee and ankles) or floor length. No short dresses are allowed.

The following are not appropriate and should not be worn:

Completely Backless

Low cut with cleavage showing (You will need to cover cleavage with mesh.)

No slits more than 3" above the knee (This can be easily taken care of with a little needle and thread)

See-through mesh in the body of the dress is not allowed. Nude material will need to be sewn inside the dress as a lining or wear a nude colored slip.

If you purchase a 2 piece dress, it must be sewn together all the way around. (Adding mesh will not be allowed.)

Approval for dresses:

To approve your dress, you will need to take a picture of yourself in the dress. (front and back – If there is a slit in the dress, it needs to be visible in the picture.) Text the pictures to Mrs.

Arledge 864-680-8231. You will be texted back for approval or non-approval. **It will be very**

helpful to let Mrs. Arledge know that you will be shopping for a dress so she can be 'on-

call' to get back to you asap for approval of the dress. *If your dress needs alterations, you will*

need to send a picture of yourself in the dress AFTER alterations for FINAL approval from a dress

committee. (If you have any questions, please contact Mrs. Arledge tarlege@fbns.org.)
