

## WARRIOR OVERTIME INFORMATION 2025-26

The Warrior Overtime program (early arrival and after school care) is only available for SCA students during the school year **only**. Warrior Overtime hours begin at 7:00 a.m. for before-school needs and end at 6:00 p.m. for after-school needs. The program offers a variety of options to meet parental needs.

**Applications for Warrior Overtime should be submitted with school registration and re-enrollment forms in order to reserve a space in the program.**

WO will be available during some school observed holidays by prior reservation. SCA students along with non-SCA students may attend our Summer Camp program. Summer Camp information will be available in Spring.

*In order to maintain DSS compliance, SCA is only authorized to accept fully potty-trained students, as our caregivers may not enter the restroom with a child. These requirements include pulling clothing up/down, zipping/unzipping clothing, wiping private areas, and changing of clothes. While accidents may infrequently occur with preschool children, this should be the exception, not the norm. This policy reflects DSS guidelines and is not necessarily the opinion of school personnel. Separation may become necessary if training issues arise.*

- An Application for Warrior Overtime must be completed for EACH STUDENT enrolling in after school care and includes the following forms. Additional forms are available upon request.
  - Application for Warrior Overtime (1 per student)
  - DSS Form 2900 (1 per student)
- **No student is allowed to stay in Warrior Overtime unless paperwork is complete. The deadline to register for returning students is May 20. A late fee of \$50 will be billed for any applications turned in after May 20.**
- **New students must turn in paperwork when applying.**
- If needs for Warrior Overtime change before August 1, parents should notify the Warrior Overtime Coordinator. A \$150 penalty fee will be incurred for any changes made after August 1.
