1. Parents are required to notify Carla Ilund in the SCA financial office as soon as you have received approval for ESTF, and PRIOR TO submitting any invoices to ClassWallet for payments to SCA. SCA billing has to be set up in a certain way for those receiving these funds.

2. Applicable tuition discounts will be given only on tuition amounts not covered by ESTF.

3. If you have applied for tuition assistance and are approved, tuition assistance may only be used toward tuition not covered by ESTF. Tuition assistance will be no more than 30% of the amount the parent is responsible for after ESTF.

4. ESTF funds should only be used for items other than tuition if there are ESTF funds leftover after tuition is paid. Tuition should be the first priority.

5. It is the parent's responsibility to submit invoices to ClassWallet in a timely manner, following the instructions given by ClassWallet, and by the SCA financial office. Accounts that become delinquent will be reviewed by the headmaster.

6. ESTF may not be used for field trips, grade level overnight trips, athletic or other club fees, or for Warrior Overtime.
