

Dear SCA Family and Friends,

As I approach the end of my first year as Public Relations/Fundraising Coordinator I want to take a moment to share with you how thankful I am personally, for Spartanburg Christian Academy. My husband and I have been part of the SCA family since 2006 when we began teaching here. We have three children who attend SCA. Two are in Intermediate school and one in High school. All three of them started in 4k. I have enjoyed teaching many of your children throughout my years in various roles at the school. It has been a privilege to be able to share the Gospel while teaching students at SCA.

Our mission is to prepare students who are well-educated, equipped with a biblical worldview, and exhibit a heart for Christ.

Your students are taught and coached by men and women who love the Lord, love your children, and seek to make an impact in their lives. We see lives that are being changed on a daily basis at SCA. Administrators, teachers, and staff consider our jobs a privilege encouraging students at SCA to take their next step in a growing relationship with Christ.

My husband and I consider it a privilege to be part of the SCA family, to have our children here, and to invest in the mission of SCA. As the year comes to a close, I invite you to join with us in making a financial investment in our Annual Fund. Your investment in Spartanburg Christian Academy is an eternal investment. It means you play an important role in the success of our students now and for years to come. Join me in giving to this wonderful ministry and be a part of equipping the next generation to impact the world for Christ.

Below are the giving levels of our Annual Fund. As you consider your year-end giving, I ask you to consider becoming a donor at one of these levels. Your gift may also be made in honor or memory of someone.
