

Holmes Catering Lunch

2026-27 Information

Students at SCA may bring lunch from home, pre-order a hot lunch, or purchase food from the Warrior Store prepared by Holmes Catering & Events. Each hot lunch consists of an entrée, side item(s), fruit &/or dessert, and milk, juice or lemonade. Tea is available for middle and high school students. All students are assigned an EZ School Student Account, which allows parents to preload money for students and keep track of their purchases. Accounts are accessed at www.ezschoollapps.com using the parent's email and password information. Individual student special instructions/restrictions/allergies may be entered by Holmes Catering staff which will "flag" the individual student(s) account to notify the lunch staff of your wishes. (**For example:** cash only for any Warrior Store purchases; No purchase from Warrior Store if negative account balance; Allergic to nuts; No Warrior Store purchases; No candy or ice cream; Cash only if negative balance etc.) Anything may be noted for your student(s) that you wish. You just need to complete the form included with the lunch information in your school start packet or let us know at scalunch@fbns.org. If no form is returned or we do not receive an email with specific restrictions, the account may be charged.

*****NEW THIS YEAR*** ALL NEGATIVE BALANCES MUST BE PAID OFF AND THE ACCOUNT LOADED BY THE FIRST OF EACH MONTH IN ORDER TO CONTINUE CHARGING TO A LUNCH ACCOUNT. THIS INCLUDES BALANCES FOR ANY PRE-ORDERED LUNCHES. K3-6TH GRADE WILL NOT BE ALLOWED TO HAVE A NEGATIVE BALANCE AND CONTINUE TO USE AN ACCOUNT TO PURCHASE. IF A BALANCE IS NOT PAID OFF THERE WILL BE A \$10.00 LATE FEE ADDED TO THE ACCOUNT BALANCE EACH MONTH UNTIL IT IS PAID OFF. (It is your responsibility to monitor your student(s) account and balance. Any negative account balance emails will be sent out weekly and should be paid as soon as possible.) CASH WILL BE ACCEPTED AT ANYTIME.**

Money may be added in one of three ways to a student(s) account.

1. Debit or credit card on the EZ School Apps website (there is a convenience fee attached to each debit/credit deposit) or via Holmes Catering associate (No card fee applies)
2. Cash in a sealed envelope with "Holmes Catering" and the student(s) name on the outside.
3. Check made payable to Tim Holmes Catering with the student(s) name in the memo line. (You may write one check for multiple students, just list each student and the amount you want entered for each account in the memo line).

****Checks and cash in envelopes with student(s) name may be turned into the SCA front desk.**

To purchase a hot lunch, a student must pre-order lunch up to two days prior to the meal on ezschoollapps.com.

Pre-ordered lunches are \$7.75 for 7th-12th grades, \$7.25 for 1st-6th grades and \$5.75 for 3K-5K. If extra lunches are available, students who did not preorder may purchase a lunch for an additional \$2.50 fee.

If a student has an SCA excuse for illness on a day they pre-ordered lunch, the parent may request a refund directly to Holmes Catering by emailing scalunch@fbns.org. Any questions, concerns, or special instructions about the EZ School app or lunch may also be addressed to Holmes Catering at scalunch@fbns.org.

Please note that your student(s) lunch accounts are not part of SCA billing. The lunch accounts are billed separately through Holmes Catering and the EZ School app.

Please refer to the Holmes Catering information page included with your starting packet for more detailed information. Please complete the form attached to the information page and return the form to the front desk by September 1st. Any questions or concerns should be directed to scalunch@fbns.org and we will be happy to assist you.
